A reference is invited to item 3 of the functions of the Advisory Committees amended to G.O.No.709-P.H.dated 17-2-1941. It will be seen therefrom that the Medical Officer of the institution should be present at the meeting whenever the Chairman considers it necessary for the transaction of the business before the Committee. There is however no objection to the Medical Officer of the Leprosy Hospital and Asylum being appointed as Honorary Secretary of the Advisory Committee.
